Dear ATA Members and Friends,

The IRS requires that we provide notice to you regarding the amount of your dues and contributions made to Alaska Trollers Association that is allocated net of lobbyist activities.

In 2024, ATA's lobbying expenses amounted to 1% of its total revenue. Therefore, members who plan to use their ATA dues and donation for tax purposes can claim 99% of their contribution as tax-deductible for 2023.

We suggest you consult with your tax accountant to ascertain the appropriate deduction for your specific circumstances.

Thank you for your continued support of ATA.

Best Regards,

Amy Daugherty  
Executive Director
