Signature

To nominate candidates, you must be a powerroll permit holder and an ATA member in good standing. If you are not current, membership payments must be included with your nomination form. **Nominee(s) must also hold a powerroll permit and be current members of ATA at the time ballots are mailed in October.** The three-year board term runs Nov. 2026 to Nov. 2029. The ATA Board meets twice each year (fall and spring), with teleconferences in between. ATA pays board member in-person meeting expenses. I encourage you to nominate people, including yourself, whom you believe will best represent your area interests at the ATA meetings. ATA and the fishing industry have many challenging tasks ahead, which will require strong leadership. We hope you will participate in this year's election process. Good Fishing!

**Nominations must be postmarked or received in the ATA office
by October 1, 2026.**
